

Westfield Pioneer Days & Historical Reenactment

September 22nd, 23rd, and 24th, 2017

Location: Marquette County Fairgrounds, Westfield, WI
(County M, South edge of Westfield)

This is a "Living History" time-line event reenacting Colonial America, Fur Trading and Pioneer Eras, and Civil War (approx. 1700 – 1865). Watch demonstrations by traders and craftsmen & women depicting the lifestyles of the times. Demonstrations change from year to year, but may include blacksmithing, woodworking, paddle making, candle making, spinning, weaving, and cast iron cooking over an open fire. Compete in contests for reenactors and the public. Enjoy live period music by "Strings on the Prairie" and contra dancing. Talk with reenactors and ask questions. Many of them love to share their knowledge of history and stories from the past. Step back into history!

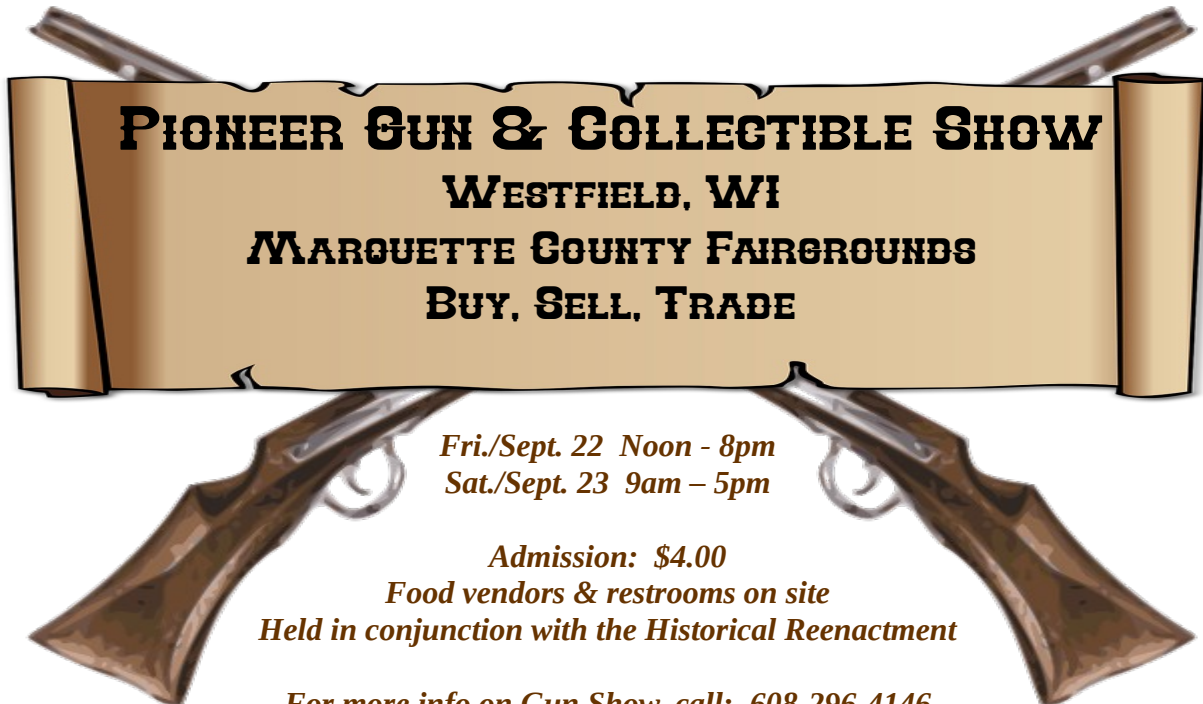

Friday is Education Day for local school children (also open to the public).

Camp opens at 10am each morning & closes at 5pm. Sunday: 10am - 3pm.
Donation: \$2.00 each or \$10/family
